Sirs:

RESPONSE TO CORRECTED FILING RECEIPT AND NOTICE TO FILE MISSING PARTS
OF APPLICATION

Enclosed are copies of the Corrected Filing Receipt and Notice
To File Missing Parts of Application.

The Corrected Filing Receipt shows a filing fee of \$445.00
received. This appears incorrect as follows:

A response to a final action dated July 5, 2000 was filed
by Express Mail January 4, 2001 with a Petition for Extension of Time
and check for \$445.00. On January 5, 2001 the CPA was also filed but
without a filing fee.

No Advisory Action or other communication from the examiner
in response to the response to the final action has been received.
Only the Notice To File Missing Parts Of Application dated January 16, 2001
and the Corrected Filing Receipt dated May 8, 2001 have been received.

As a result applicant has no knowledge what items the examiner
checked off on the Advisory Action and can only assume that the application
was not allowed because no Notice of Allowance has been received.

To avoid abandonment of the CPA when the discrepancy in the
Corrected Filing Receipt became evident, attached are a Petition to Extend
Time and a check for \$865.00 to cover the CPA filing fee, surcharge and
three month extension of time.
